Keeping you healthy and safe while aboard with Tranzit Tours

The health, safety and wellbeing of our passengers and team members is our highest priority and we are obliged to take all practicable risk measures to operate safely.

As a company, Tranzit Tours will always take advice from the Ministry of Health on best practice safety protocols for all contagious conditions, (colds, flu, Covid, shingles, measles, diarrhoea and vomiting etc.) along with accidents and other health concerns, and feelings of unwellness.

We always encourage our passengers to talk to us if they have any questions regarding their mobility, fitness or health.

Our health and safety measures include:

- Recommending all passengers take out comprehensive travel insurance with cover for contagious conditions (like colds, flu, Covid, shingles, measles, diarrhoea and vomiting etc) and that passengers familiarise themselves with any limitations the insurance may have around additional costs associated with the requirement to leave a tour or need to cancel.
- We encourage all passengers to stay home if you are experiencing symptoms of contagious conditions (like colds, flu, Covid, shingles, measles, diarrhoea and vomiting etc).
- Asking passengers and Tour Team to pro-actively undergo a self-administered RAT prior to departure for their safety (and the safety of all passengers on the tour) should they feel they could have been put at risk of contracting COVID-19 or feel unwell (including hay fever, cold and flu-like symptoms). If in doubt, we ask passengers to call the Tranzit Tours Team.
- Passengers who are at higher risk (ie immuno-compromised, suffer from chronic conditions such as COPD etc) are asked to voluntarily make the Tours Team aware of their condition at the time of booking. Also contact your Medical Practitioner to confirm you are well enough to join the tour. This will enable us to consider any additional precautions for you, before traveling, as well as having a plan for an appropriate response if a traveller becomes ill with an infectious illness on a tour.
- Encouraging passengers to wash hands regularly in warm soapy water and use provided hand sanitizer.
- Advising passengers to cough or sneeze into tissues and then immediately dispose of them followed by washing and drying or sanitising your hands. If caught short, we recommend using the inside corner of an elbow to cover your mouth and nose when coughing or sneezing.
- Ensuring that prior to our tour's departure, the coach undergoes a deep clean (including the air-conditioning filters).
- All hard surfaces are cleaned daily with a disinfectant while on tour.
- Providing biodegradable disposable cups on tour to prevent cross contamination.
- Using tongs for food handling, and washing and drying hands before any food handling. Always wash and dry hands after using bathroom facilities.
- Disposable masks: we encourage passengers to bring their own masks. While it is not compulsory for passengers to wear masks on a coach tour, we do encourage it if you are showing any cold or flu-like symptoms.
- Ensuring our team is fully trained in first aid.

If you become unwell or have an accident while on tour, please contact your Tranzit Tours driver or guide immediately.

They can help support you and contact Healthline on 0800 611 116 or your doctor, immediately who will triage symptoms over the phone and advise next steps. This will be managed on a case-by-case basis. Our Tranzit team will support you and assist with logistics (at the cost of the Passenger – which may be covered by your travel insurance).

Thank you for understanding as we continue to work to keep you, our valued passengers, safe. Our team is always happy to answer any specific questions you have.
