Trip Details

Day 1 **Monday, 24 March 2025**

Tour Travelling to Masterton

We meet in Tauranga this morning to make our way south, with a morning tea stop at a scenic spot on the shores of Lake Taupo, and travel to Masterton breaking up our journey with Taihape, our lunch stop today (at own choice and cost). After lunch we continue onto our destination and enjoy dinner in-house this evening.

Day 2 **Tuesday, 25 March 2025**

Tour Historical Homes

We start our Wairarapa exploring by heading to a mecca for heritage buildings and haberdashery supplies of fine linen and fabric, Greytown. Here you will have free time to indulge in the local cafes, confectioners, boutique shops and restock for some crafter noon projects.

Next stop we head to the modern flower filled Longbush Cottage Gardens, where you will be immersed in vibrant colours and captivating planting themes. Luke, the creative genius behind this horticultural masterpiece, has skillfully crafted a series of "garden rooms" radiating from the charming 1890s cottage, encompassing over a hectare of land. Each garden room offers a unique and immersive experience, with carefully curated plantings that create a harmonious blend of textures and scents that change throughout the year.

Getting to know the history of the region, we head off to visit two of the area's most historic homesteads - Te Parae and Brancepeth. At Te Parae Homestead we have lunch (included) and a tour of the magnificent gardens with a brief history of the property and the family. Built in 1905, the homestead is still owned and operated by fourth generation family members. The 600sqm two story home is set in extensive park-like gardens featuring 100 year old oaks, weeping elms, Taxodium, Wellingtonia, and liquid amber trees, with a ten acre lake forming a picturesque vista.

Brancepeth is one of Wairarapa's grandest and most treasured historic sites. This colonial homestead and gardens east of Masterton is still owned by the Beetham family, who settled on the land in 1865. By 1900, Brancepeth was one of the largest sheep stations in New Zealand. At its height, it included an on-site library and a school, with more than 300 staff running the station.

We head back to our hotel in Masterton with some time to relax and unwind before we enjoy dinner out.

Day 3

Wednesday, 26 March 2025

Tour Coastal Country

After a hearty buffet breakfast, we take a scenic drive to the Castlepoint coast, voted as one of the country's top 10 most loved beaches. Here, we can take a leisurely walk up to the iconic lighthouse which was built in 1913 and is one of the last two remaining beam lighthouses in New Zealand. We then make our way to Castlepoint Station, where one of the owners will talk to us about the farming operation, before we travel in our coach over a road which passes through the station, with breathtaking coastal views awaiting us.

Driving towards Riversdale, we stop at the wonderful Homewood Storeroom Restaurant for a relaxing roast lunch (included) prepared by Chef Paddy who incorporates ingredients from the farm, including lamb.

We head back to our hotel in Masterton with some time to relax and unwind before we enjoy dinner in-house.

Day 4

Thursday, 27 March 2025

Tour Farm life, Fish-n-Chips and Southern Swells

Another buffet breakfast will set us up as we head south today to visit the wild and rugged Palliser Bay. Our first stop is Palliser Ridge Station where we will have morning tea and join the team for a talk and a chance to browse Woolshed Store. In 2019, Palliser Ridge won the Balance Environment Awards – Supreme Winner for the Greater Wellington region which is no mean feat! The farm has proudly opened its gates to the public so we can experience the passion and the pride that has gone into what they have achieved.

A thirty-minute drive then takes us to our lunch stop at Cape Palliser Bar and Grill for the best fish-n-chips on the coast (included). Cape Palliser on Wairarapa's southern coast, is the southernmost point of the North Island. While in the area we travel through the small settlement of Ngawi, where the main income comes from crayfish fishing. 20 to 30 fishing boats are pushed into the sea on their trailers by bulldozers – a unique sight. Kupe's Sail is another feature of the area – a triangular upthrust of sedimentary rock shaped like a sail. Legend has it that Kupe sailed by Cape Palliser more than 1000 years ago. The Cape Palliser Lighthouse is located here, an unmanned lighthouse blinking once every 20 seconds. It is also home to a permanent fur seal colony. A stop to watch the pups caper is a must.

We then head to the Historic Rototawai Homestead to view the private art gallery and gardens administered by the Anna Bidwill Foundation charitable trust. The permanent collection is hung in the reception rooms throughout the lower floor of the homestead. After enjoying the homestead, the mature trees and curated pathways offer a tempting stretch of the legs for a self-guided tour using a map to explore some of the 8 hectares of magnificent gardens.

We then make our way back to Martinborough, where we enjoy a wine tasting and dinner this evening at Tirohana Estate Winery. Finally, we return to our hotel for a well-earned rest.

Tour Hawkes Bay and Homeward Bound

After breakfast, we check out of our accommodation and head home, first stopping at Norsewood for a comfort stop and a little retail therapy. Continuing North for lunch (included), we visit the Mission Estate Winery – “The birthplace of New Zealand wine since 1851”. Their elegantly restored historic seminary building provides a stunning location for the unique, award-winning Mission Restaurant and Winery. After lunch we head to Taupo for a afternoon tea and comfort stop before finally returning to the Bay.

Keeping you healthy and safe on our domestic Tranzit Tours

The health, safety and wellbeing of our passengers and team members is our highest priority and we are obligated to take all practicable risk measures to operate safely.

While the New Zealand Government has removed the self-isolation mandates should people contract COVID-19, the health, safety and wellbeing of our passengers while on tour with us is of utmost importance. As a company, Tranzit Group will always take advice from the Ministry of Health on best practice safety protocols for all infectious diseases, including COVID-19.

Our health and safety measures include:

- ✓ Our Tranzit Tours team undergoing Rapid Antigen Tests (RATs) the morning of the departure of the tour to eliminate any potential risk of COVID-19.
- ✓ Asking passengers to pro-actively undergo a self-administered RAT prior to departure for their safety (and the safety of all passengers on the tour) should they feel they could have been put at risk of contracting COVID-19 or feel unwell (including hayfever, cold and flu-like symptoms). If in doubt, we ask passengers to call the Tranzit Tours Team.
- ✓ Encouraging passengers to wash hands regularly in warm soapy water, use provided hand sanitizer, cough/sneeze into the inside corner of their elbows and stay clear of people who are unwell.
- ✓ Providing individual snap lock bags so each passenger can dispose of personal rubbish, including tissues and face masks.
- ✓ Ensuring that prior to our tour's departure the coach undergoes a deep clean (including the air-conditioning filters) and reminding passengers that if they are unwell, they need to stay home.
- ✓ All hard surfaces being cleaned daily with a disinfectant while on tour.
- ✓ Providing biodegradable disposable cups on tour to prevent cross contamination.
- ✓ Using tongs for food handling and our team members wearing gloves when handling food.
- ✓ Providing disposable masks, although we encourage passengers to bring their own masks. While it is not compulsory for passengers to wear masks on a coach tour, we do encourage it if you are showing any cold or flu-like symptoms.
- ✓ Some facilities may still ask people to wear a face mask. We ask you to respect their policies to protect those at higher risk.
- ✓ Ensuring our team is fully trained in first aid.

If you become unwell on tour, please contact Healthline on: 0800 611 116 or your doctor immediately who will triage symptoms over the phone and advise next steps. This may include having a COVID-19 test and then self-isolating from the tour. While not mandated, the Ministry of Health guidance is to stay at home for five days if unwell or have tested positive for COVID-19. This will be managed on a case-by-case basis. Our Tranzit team will support you and assist with logistics (at the cost of the Passenger – which may be covered by your travel insurance).

Thank you for understanding as we continue to work to keep you, our valued passengers, safe. Our team is always happy to answer any specific questions you have.
