Day 1 **Monday, 7 September 2026**

Tour Travels to Napier - Woburn Homestead

We begin our journey with collection from your home, travelling on to Woodville where we'll meet to enjoy morning tea at the park. This is a chance to mingle, catch up with friends, and warmly welcome new faces.

Lunch today is at Woburn Homestead in Waipukerau. This beautifully restored 1893 homestead is registered with Heritage NZ and was once part of a 27,000 acre sheep station. Here, we'll enjoy stylish refreshments along with a tour of the downstairs area of the homestead and a stroll in the lovely gardens. Continuing on to Napier, we'll unearth some of the history of the "Art Deco Capital" before checking in to our hotel, pleasantly located on Marine Parade. There will be time to relax and settle in before dining in at our hotel this evening.

Day 2 **Tuesday, 8 September 2026**

Tour Historic Homesteads of Havelock North

This morning, we visit historic Duart House, built in 1882 for Alan McLean and his family. It is a beautiful example of a carefully restored and maintained colonial estate set in three acres of garden in the heart of Havelock North. McLean chose the name Duart after a castle owned by the McLeans on the Isle of Mull in Scotland, where they had lived before coming to New Zealand. A defining feature of the house is a tower with battlements, designed to remind McLean of his origins.

Next, we head to Mangapapa Homestead. These days it's a beautiful, high-end lodge, but it was built in 1869 by Fred Nelson, who founded one of the early meatworks in the Bay. Later, Sir James Wattie – yes, the Wattie's founder – owned the property from 1950 to 1990. We'll enjoy lunch here in this elegant setting, along with a tour of the historic homestead and grounds.

This afternoon we visit Stoneycroft near Hastings. Built in 1875, this is a lovely Victorian colonial home and was originally the town house of Taihape farmer, W J Birch. In 2005 Hastings District Council purchased the homestead and gardens to help preserve its history. Fittingly, today it's home to the Knowledge Bank, a digital hub for Hawke's Bay history, which we will learn about while enjoying a tour of the house and grounds.

We return to our hotel to freshen up before departing for Mission Estate Winery – "The birthplace of New Zealand wine". The elegantly restored historic seminary building provides a stunning location for the unique Mission Restaurant and Winery, where you'll be guided through a wine tasting with fascinating commentary on the Mission Estate history, before enjoying a delightful dining experience.

Tour When Wool Was King – Travelling Home

Today we travel home via Highway 50 through the rolling rural landscapes of Central Hawke’s Bay. The grand old Maraekakaho Woolshed opens its creaky doors for us this morning, to reveal the layers of history within. Hosted by a local historian, we’ll learn about the once extensive Maraekakaho Station – at its peak 50,777 acres. We’ll then drive to the village to view several remaining station buildings, including the old store, school and hall, still used by the local community.

We are hosted for lunch today at Ashcott Homestead at Ashley Clinton. Our last taste of Hawke’s Bay heritage, Ashcott has stood for 160 years as a grand reminder of the early prosperity of this region. Sited on nine acres from the original 20,000-acre estate, the present owners run a B and B in the homestead. Over lunch we will learn the fascinating history of the property and enjoy a tour through the house. We are then homeward bound, meeting our transfer vehicles in Woodville where we farewell fellow travellers before delivering everyone back to their home addresses.

Keeping you healthy and safe while aboard with Tranzit Tours

The health, safety and wellbeing of our passengers and team members is our highest priority and we are obliged to take all practicable risk measures to operate safely.

As a company, Tranzit Tours will always take advice from the Ministry of Health on best practice safety protocols for all contagious conditions, (colds, flu, Covid, shingles, measles, diarrhoea and vomiting etc.) along with accidents and other health concerns, and feelings of unwellness.

We always encourage our passengers to talk to us if they have any questions regarding their mobility, fitness or health.

Our health and safety measures include:

- Recommending all passengers take out comprehensive travel insurance with cover for contagious conditions (like colds, flu, Covid, shingles, measles, diarrhoea and vomiting etc) and that passengers familiarise themselves with any limitations the insurance may have around additional costs associated with the requirement to leave a tour or need to cancel.
- We encourage all passengers to stay home if you are experiencing symptoms of contagious conditions (like colds, flu, Covid, shingles, measles, diarrhoea and vomiting etc).
- Asking passengers and Tour Team to pro-actively undergo a self-administered RAT prior to departure for their safety (and the safety of all passengers on the tour) should they feel they could have been put at risk of contracting COVID-19 or feel unwell (including hay fever, cold and flu-like symptoms). If in doubt, we ask passengers to call the Tranzit Tours Team.
- Passengers who are at higher risk (ie immuno-compromised, suffer from chronic conditions such as COPD etc) are asked to voluntarily make the Tours Team aware of their condition at the time of booking. Also contact your Medical Practitioner to confirm you are well enough to join the tour. This will enable us to consider any additional precautions for you, before traveling, as well as having a plan for an appropriate response if a traveller becomes ill with an infectious illness on a tour.
- Encouraging passengers to wash hands regularly in warm soapy water and use provided hand sanitizer.
- Advising passengers to cough or sneeze into tissues and then immediately dispose of them followed by washing and drying or sanitising your hands. If caught short, we recommend using the inside corner of an elbow to cover your mouth and nose when coughing or sneezing.
- Ensuring that prior to our tour's departure, the coach undergoes a deep clean (including the air-conditioning filters).
- All hard surfaces are cleaned daily with a disinfectant while on tour.
- Providing biodegradable disposable cups on tour to prevent cross contamination.
- Using tongs for food handling, and washing and drying hands before any food handling. Always wash and dry hands after using bathroom facilities.
- Disposable masks: we encourage passengers to bring their own masks. While it is not compulsory for passengers to wear masks on a coach tour, we do encourage it if you are showing any cold or flu-like symptoms.
- Ensuring our team is fully trained in first aid.

If you become unwell or have an accident while on tour, please contact your Tranzit Tours driver or guide immediately.

They can help support you and contact Healthline on 0800 611 116 or your doctor, immediately who will triage symptoms over the phone and advise next steps. This will be managed on a case-by-case basis. Our Tranzit team will support you and assist with logistics (at the cost of the Passenger – which may be covered by your travel insurance).

Thank you for understanding as we continue to work to keep you, our valued passengers, safe. Our team is always happy to answer any specific questions you have.
