Keeping you Healthy and Safe on a Tranzit Tour

The health, safety and wellbeing of our passengers and team members is our highest priority and we are obligated to take all practicable risk measures to operate safely. As a company, Tranzit Group will always take advice from the Ministry of Health on best practice safety protocols for all contagious conditions, (colds, flu, Covid, shingles, measles, diarrhoea and vomiting etc.) along with accidents and other health concerns and feelings of unwellness.

We encourage our passengers to talk to us if you have any questions regarding mobility, fitness or health. If you have any queries, please call our team. We are happy to answer any questions.

Travel Insurance

We recommend all passengers take out comprehensive travel insurance with cover for contagious conditions (like colds, flu, Covid, shingles, measles, diarrhoea and vomiting etc) and that passengers familiarise themselves with any limitations the insurance may have around additional costs associated with the requirement to leave a tour or need to cancel.

Additionally, there are also often non-refundable portions included in the tour. You are welcome to use other providers, but we recommend Helloworld Travel, Masterton. They offer both cancellation and full cover for domestic and international travel. Please don't hesitate to call them direct on 06 378 2454, or email them at masterton@travel.helloworld.co.nz; they will be only too happy to answer your questions or provide you with a quote.

Should there be any part of the itinerary you wish to discuss, please give us a call, as we want your decision to join us to be as fully informed as possible.

Trip Details

Day 1 Wednesday, 29 October 2025

Tour Travelling to Blenheim

We are transferred to Wellington this morning, meeting at the Bluebridge Ferry terminal for our early afternoon sailing across Cook Strait to Picton. Upon reaching Picton we travel the short distance to Blenheim in the heart of the Marlborough wine region, where we settle into our accommodation before dining in this evening.

Day 2 Thursday, 30 October 2025

Tour Marvellous Marlborough Gardens Enroute to Hanmer

We depart Blenheim this morning for Hanmer, with two top Marlborough Gardens to visit on our travels. Near Seddon we visit Barewood, a gorgeous country garden which has featured in numerous publications. Surrounding a century old homestead, old roses and mixed borders are contained within a framework of mature trees, and a formal potager is a feature. Our hosts will provide morning tea.

Making our way down the Pacific Coastal Highway, Winterhome at Kekerengu is our next stop. This is a formal garden with world class garden design using strong lines, symmetry and mass plantings, while providing stunning views of the Pacific Ocean. A very memorable property. We'll enjoy a picnic lunch here (included), before we continue our travels to our destination of Hanmer Springs. We dine out at a restaurant in the village this evening.

Day 3 Friday, 31 October 2025

Tour Gorgeous Gardens of Hawarden-Waikari

Departing Hanmer Village for the day, our first visit is to Coldstream Garden at Culverden. Mature oaks and silver birches provide height and a canopy to protect large garden beds of roses, camellias and rhododendrons that, together with mass plantings of daffodils, tulips and peonies put on a magnificent spring display. A large pond is an eye-catching landscape feature. Our next visit is Saddlewood, a garden of elegance that invites visitors to linger and rest. Garden paths lead to areas of woodland, ponds, a white garden, and borders full of old-fashioned shrubs and perennials. Fine art photography, plants and garden gifts will be for sale. We'll enjoy our picnic lunch here (included) before we move on to our next garden. At Newstead the generous curved beds feature lovely traditional plants, many of which are for sale and hard to find elsewhere. Colour is provided by rhododendrons, azaleas, irises and the first roses, all at their peak. Moving on, we visit Flaxmere, a large country garden "of International Significance". With clever design, this garden utilises a spring fed creek that runs through the property and takes advantage of stunning rural vistas. Native evergreens contrast with deciduous plantings that change with the seasons, with a focus on trees and shrubs providing interest for spring and autumn colours. Take a look at the "Flaxmere through the Seasons" photo exhibition and check out host Penny's favourite plants for sale. Returning to Hanmer you have the option of visiting the thermal springs for a welcome soak (own cost), taking a walk through the historic St Mary's Hospital grounds, or relaxing, before meeting up again for dinner at a local restaurant.

Day 4**Saturday, 1 November 2025**

Tour Rotherham-Culverden Cluster

Today we visit further Hurunui delights. Our first garden is Top Cottage, a relatively new garden but incorporating existing mature trees and expansive rural vistas into the design. A spring filled pond and original garden sculptures created by hosts Tom and Jane feature, and Jane has an art studio with works for sale. Next we visit Waihui Garden, a beautiful country garden created as a series of garden rooms – each suitable for different wind conditions and to provide entertaining spaces for friends, families and weddings. We then move on to Loch Leven, this two-acre garden featuring hedges and topiaries to give year-round structure and formality, and which owner Doreen propagates herself. Local rocks are a feature and there is an abundance of roses, peonies, and perennials as well as a native area. We enjoy a picnic lunch here (included) before we settle in for the drive to Blenheim, where we check in to our hotel, dining in this evening.

**Day 5****Sunday, 2 November 2025**

Tour More Memorable Marlborough Gardens & Travelling Home

This morning we visit Woodend Garden. Surrounded by vineyards, this lovely rural garden is popular for weddings and features many different plant zones. Large specimen trees include liquidambars, dogwoods, and magnolias. We then have time for one last stunner, Hortensia House. Hortensia is Latin for hydrangea, and owner Huguette has planted over 150 different varieties in her garden - filling and brightening the shady areas. The stunningly clear Spring Creek flows through this romantic garden, with a bridge across it inspired by Monet's garden. Continuing on to Picton we have time to find a bite of lunch (own cost) before we catch an afternoon sailing to Wellington. Here we bid farewell to our fellow travellers before being transferred to our respective home locations.

Keeping you healthy and safe while aboard with Tranzit Tours

The health, safety and wellbeing of our passengers and team members is our highest priority and we are obliged to take all practicable risk measures to operate safely.

As a company, Tranzit Tours will always take advice from the Ministry of Health on best practice safety protocols for all contagious conditions, (colds, flu, Covid, shingles, measles, diarrhoea and vomiting etc.) along with accidents and other health concerns, and feelings of unwellness.

We always encourage our passengers to talk to us if they have any questions regarding their mobility, fitness or health.

Our health and safety measures include:

- Recommending all passengers take out comprehensive travel insurance with cover for contagious conditions (like colds, flu, Covid, shingles, measles, diarrhoea and vomiting etc) and that passengers familiarise themselves with any limitations the insurance may have around additional costs associated with the requirement to leave a tour or need to cancel.
- We encourage all passengers to stay home if you are experiencing symptoms of contagious conditions (like colds, flu, Covid, shingles, measles, diarrhoea and vomiting etc).
- Asking passengers and Tour Team to pro-actively undergo a self-administered RAT prior to departure for their safety (and the safety of all passengers on the tour) should they feel they could have been put at risk of contracting COVID-19 or feel unwell (including hay fever, cold and flu-like symptoms). If in doubt, we ask passengers to call the Tranzit Tours Team.
- Passengers who are at higher risk (ie immuno-compromised, suffer from chronic conditions such as COPD etc) are asked to voluntarily make the Tours Team aware of their condition at the time of booking. Also contact your Medical Practitioner to confirm you are well enough to join the tour. This will enable us to consider any additional precautions for you, before traveling, as well as having a plan for an appropriate response if a traveller becomes ill with an infectious illness on a tour.
- Encouraging passengers to wash hands regularly in warm soapy water and use provided hand sanitizer.
- Advising passengers to cough or sneeze into tissues and then immediately dispose of them followed by washing and drying or sanitising your hands. If caught short, we recommend using the inside corner of an elbow to cover your mouth and nose when coughing or sneezing.
- Ensuring that prior to our tour's departure, the coach undergoes a deep clean (including the air-conditioning filters).
- All hard surfaces are cleaned daily with a disinfectant while on tour.
- Providing biodegradable disposable cups on tour to prevent cross contamination.
- Using tongs for food handling, and washing and drying hands before any food handling. Always wash and dry hands after using bathroom facilities.
- Disposable masks: we encourage passengers to bring their own masks. While it is not compulsory for passengers to wear masks on a coach tour, we do encourage it if you are showing any cold or flu-like symptoms.
- Ensuring our team is fully trained in first aid.

If you become unwell or have an accident while on tour, please contact your Tranzit Tours driver or guide immediately.

They can help support you and contact Healthline on 0800 611 116 or your doctor, immediately who will triage symptoms over the phone and advise next steps. This will be managed on a case-by-case basis. Our Tranzit team will support you and assist with logistics (at the cost of the Passenger – which may be covered by your travel insurance).

Thank you for understanding as we continue to work to keep you, our valued passengers, safe. Our team is always happy to answer any specific questions you have.
