Trip Details

Day 1 Thursday, 23 October 2025

Tour Travelling to Blenheim

We begin our journey south from all destinations today as we are transferred to Wellington and meet at the ferry terminal for an afternoon sailing to the South Island. Lunch today is at our own cost on board. Upon reaching Picton we travel the short distance to our Blenheim accommodation, to settle in before dining together this evening.

Day 2 Friday, 24 October 2025

Tour Coastal Pacific to Christchurch

This morning we join the Blenheim Riverside Railway - an 11km train excursion along the banks of the picturesque Taylor River from Brayshaw Park Station to Beaver Station, located in Riverside Park. We'll also visit the Marlborough Museum, based at Brayshaw Park, which highlights the rich history of early Marlborough. We have time for lunch in town (own cost) before boarding the Coastal Pacific train. Featuring an open-air viewing carriage, this journey allows a scenic feast of southern New Zealand, with the Kaikoura mountain ranges on one side of our train and the rugged Pacific Ocean coastline on the other. Make sure you have dinner on board this evening, but please note that it is not included in the package. On arrival in Christchurch we'll be met by our coach and driver and transferred to our accommodation, where we stay for the next two nights.

Day 3 Saturday, 25 October 2025

Tour Ferrymead and the Weka Pass Railway and Christchurch Tram Dining

This morning we visit the extensive Ferrymead Heritage Park which features an Edwardian township including a historic railway station, workshops and model railways to name but a few of the exhibitions on site. A favourite with some is the vintage machinery and Hall of Flame (fire engines). We also get a chance to experience the tram ride, and we enjoy a picnic lunch (included) here today. This afternoon we journey out to Waipara to join the historic rural Weka Pass Rail excursion from Glenmark Station to Waikari and return. Our train today will either be their 1909 Pacific 'A' class Pacific steam loco no. 428, the only one of its type still operating, or one of their equally impressive Dg class Diesel-electric locos, built in 1956 and weighing over 65 tons. We return to Christchurch and this evening take you out for a special dining experience on the Christchurch Tram. Combining colonial style fine dining with inner-city sightseeing, this is a must do Christchurch experience.

Day 4 Sunday, 26 October 2025

Tour Travel to Greymouth

Today we travel the scenic Arthur's Pass route to Greymouth, following the famous TranzAlpine train route. Today we remain on the asphalt not the train tracks. This will give us the opportunity to travel at a more relaxed pace, and to stop and explore at our leisure. Our first stop will be at Castle Hill, where we will have our morning tea in Tranzit style and also have the opportunity for a short walk to view the fascinating limestone outcrops that give this area its name. Arthur's Pass Village, in the heart of the Southern Alps is our next stop where we will have our lunch (by your own cost) and enjoy a short walk amongst soaring mountains and beech forest. Continuing our scenic journey, we stop to view the massive Otira Viaduct, where we are likely to be entertained by kea—the clowns of the alps. The scenery changes as we cross the Main Divide and make our way to Greymouth, our destination today. We dine in tonight at our hotel, following a couple of very full days

Day 5 Monday, 27 October 2025

Tour Charleston Nile River Rainforest Train and Denniston Incline

This morning we take a trip to Charleston where we join the Charleston Nile River Rainforest Train that chugs its way through the spectacular limestone landscapes of the Nile River Canyon in Paparoa National Park. Lunch today is included at the Charleston Café. We then continue north to the historic coal mining town of Denniston. Here we meet the "Friends of the Hill", a small but extremely dedicated group whose mission it is to preserve a unique piece of New Zealand history. We will hear the stories of life on the Plateau and the famous Denniston Incline, described by local residents as the "eighth wonder of the world" and recognised the world over as an amazing engineering achievement. The site is also featured in Brian Scott and David Leitch's book "Exploring New Zealand's Ghost Railways". We then take a drive down to the top of the Incline brakehead for an opportunity to wander and explore this historic site, which also offers magnificent views down to the coastal plains of the Karamea Bight (if the weather permits). We enjoy our afternoon here before winding our way back down the hill, returning to Westport and checking in to our accommodation. We dine out tonight at a popular local restaurant.

Day 6 Tuesday, 28 October 2025

Tour Travel to Greymouth & TranzAlpine to Christchurch

We board our coach and drive out to Cape Foulwind for a great walk to see a seal colony, a lighthouse and panoramic views of mountains. We will have time to enjoy our morning tea before we make our way to Greymouth where we find a place to grab our lunch (own choice & cost). We then journey on the TranzAlpine train to take us back to Christchurch. Rated as one of the world's great scenic railway journeys, the trip is 223.8kms long with 16 tunnels and 5 viaducts, the highest being The Staircase, standing at 73m. Commentary is provided, and souvenir books can be purchased on the train. Make sure you have dinner on board this evening, but please note that it is not included in the package. On arrival in Christchurch, we'll be met by our coach and driver and transferred to our accommodation.

Day 7 **Wednesday, 29 October 2025**

Tour **The Frozen Continent - Travelling to Kaikoura**

Before we travel to Kaikoura today, we visit the "Frozen Continent" The International Antarctic Centre. We enjoy an informative talk about this place, after which you will be free to explore the other fantastic exhibitions at the centre. Don't miss the huskies – unbeatable for cuteness factor, and the 4D theatre where you will be thoroughly "immersed" in the frozen continent. We will have our early lunch (own choice & cost) in their café at the Centre.

We will then board our coach and make our way to Kaikoura where we settle into our hotel by the sea, before heading out for our final dinner at a popular local restaurant.

Keeping you healthy and safe on our domestic Tranzit Tours

The health, safety and wellbeing of our passengers and team members is our highest priority and we are obligated to take all practicable risk measures to operate safely.

As a company, Tranzit Group will always take advice from the Ministry of Health on best practice safety protocols for all infectious diseases, including COVID-19.

Our health and safety measures include:

- ✓ Our Tranzit Tours team undergoing Rapid Antigen Tests (RATs) the morning of the departure of the tour to eliminate any potential risk of COVID-19.
- ✓ Asking passengers to pro-actively undergo a self-administered RAT prior to departure for their safety (and the safety of all passengers on the tour) should they feel, they could have been put at risk of contracting COVID-19 or feel unwell (including hay fever, cold and flu-like symptoms). If in doubt, we ask passengers to call the Tranzit Tours Team.
- ✓ Encouraging passengers to wash hands regularly in warm soapy water, use provided hand sanitizer, cough/sneeze into the inside corner of their elbows and stay clear of people who are unwell.
- ✓ Providing individual snap lock bags so each passenger can dispose of personal rubbish, including tissues and face masks.
- ✓ Ensuring that prior to our tour's departure the coach undergoes a deep clean (including the air-conditioning filters) and reminding passengers that if they are unwell, they need to stay home.
- ✓ All hard surfaces being cleaned daily with a disinfectant while on tour.
- ✓ Providing biodegradable disposable cups on tour to prevent cross contamination.
- ✓ Using tongs for food handling and our team members wearing gloves when handling food.
- ✓ Disposable masks, we encourage passengers to bring their own masks. While it is not compulsory for passengers to wear masks on a coach tour, we do encourage it if you are showing any cold or flu-like symptoms.
- ✓ Ensuring our team is fully trained in first aid.

If you become unwell while on tour, please contact your Tranzit Tours driver or guide immediately.

They can help support you and contact Healthline on: 0800 611 116 or your doctor immediately who will triage symptoms over the phone and advise next steps. This may include having a COVID-19 test and then self-isolating from the tour. While not mandated, the Ministry of Health guidance is to stay at home for five days if unwell or have tested positive for COVID-19. This will be managed on a case-by-case basis. Our Tranzit team will support you and assist with logistics (at the cost of the Passenger – which may be covered by your travel insurance).

Thank you for understanding as we continue to work to keep you, our valued passengers, safe. Our team is always happy to answer any specific questions you have.
