## Welcome

Welcome to our final edition of Tranzscript for 2025. Like it or not, Christmas is looming, but here at Tranzit Tours Headquarters we can't wait! It has been a jam packed year with so much adventuring taking place up and down the countryside.

Our most recent Bay of Plenty Day Trip was a huge success with a spectacular day on Tauranga Harbour. We kicked off with lunch at Harbourside Waterfront Dining, enjoying stunning harbour views, then boarded the Bay Explorer for a scenic cruise.

Seeing Mount Maunganui (Mauao) from the water offered a fresh perspective, while the harbour revealed its mix of bustling ports, peaceful villages, sandy beaches, and hidden coves. Passing through the Port of Tauranga and toward Te Puna and Omokoroa Peninsula, it's clear why this cruise has been a local favourite for over 20 years.

Enjoy the photos from this fabulous day on Page 6, alongside our next Day Trip planned for Tuesday 10th March. Be sure to keep an eye out for more day trips scheduled for 2026 in our next edition of Tranzscript.

Have a fabulous festive season and we will see you all again early next year.

Warm regards and seasons greetings,

Your Bay of Plenty Tours team.

*Please remember to check our festive season closure on the back*

# Featured Tours

## The Greenstone Trail

4-12 February - Phone NOW for an itinerary

This is one of New Zealand's most unspoilt regions and our tour is full of attractions that cover many of the 'must see and do's' of Westland, which we cover from top to bottom. Have you ever walked among the treetops in a South Westland Rainforest or been wowed by the reflections at Lake Matheson? Walked on the Heaphy track, visited the glaciers or explored the secret waterways of Okarito in search of the sacred white heron? No? Then what are you waiting for?

*Read a sample of the itinerary:*

### **White Herons and West Coast Rainforest**

*We travel south to Whataroa this morning to join White Heron Sanctuary Tours for a very special experience. Travelling across farmland, we then walk to a hide through pristine rainforest in the Waitangi Roto Nature Reserve to view NZ's only kotuku (white heron) sanctuary. Revered by the Maori as a symbol of beauty, the white heron is rare in NZ and breeds only in this secret location. The birds are nesting, so you will also see young birds, making this a truly magical and privileged experience.*

# Wairarapa Off the Beaten Track

23-26 February - Phone NOW for an itinerary

Join us as we get off the beaten track to showcase Wairarapa's wild coast, iconic stations, historic homesteads, wines and foods. There is much to see in this scenic region if you take the time, heading over that hill or taking that country road. This short tour is packed with something to appeal to everyone.

*Read a sample of the itinerary:*

## **Coastal Country**

*Today we take a scenic drive to the Castlepoint coast where we enjoy a leisurely walk up to the iconic lighthouse which was built in 1913 and is one of the last two remaining beam lighthouses in New Zealand. We then meet with the owners of Castlepoint Station for an introductory talk, before enjoying the privilege of travelling in our coach over the Otahome Road which passes through the breathtaking coastal scenery of Castlepoint Station. Driving towards Riversdale, we stop at the wonderful Homewood Storeroom Restaurant for a relaxing roast lunch prepared by Chef Paddy who incorporates ingredients from the farm, including lamb.*

*"Get off the beaten track in wonderful Wairarapa!"*
