Welcome

We hope you are all keeping well as we head into the Autumn months. It has been great to have a relatively settled summer this year.

We have a super Autumn day trip planned - another wonderful Wairarapa gem - and our tours continue, with March and April being a busy time out on the road.

Our tour coach is out clocking up a fair few kilometres over the next little while, and the tour team are readjusting to not having to cook dinner or do the dishes at night...such a struggle!

A number of new itineraries are about to hit the market. Among these are several short breaks coming up over the cooler months, designed to be less weather dependant, and with the aim of injecting a bit of new scenery and interest into everyone's lives. Make sure you give us a call or take a browse online and register your interest if a tour takes your fancy, as that means you receive the itinerary as soon as it's released!

We look forward to catching up again soon.

Taupo Mid Winter Break

24-26 June - Phone now for an itinerary

Join us for mid-winter merriment on the shores of sparkling Lake Taupō. Taupō is a fabulous destination no matter what the season – winter provides views of the snow-capped peaks of Ruapehu and Ngauruhoe across the water. Experience the thundering Huka Falls on a cruise up the Waikato River and visit Lava Glass, an exquisite gallery featuring art works made from colourful glass. Walk through the Craters of the Moon, an aptly named geothermal site, and discover a stunning café in a remote riverside location. Experience these great attractions and more while enjoying festive fun.

Thundering Huka Falls, Glass Art & Craters of the Moon

We view the truly spectacular sight of the Aratiatia Dam emptying into and filling the river gorge below, before we board the specially designed riverboat for our cruise. This takes us upstream to view the fabulous Huka Falls and along the way will see birdlife, natural hot streams and witness the energy that drives the Wairakei Geothermal Power Station. Upon our return we visit Lava Glass where we will have our lunch (included) before we enjoy a wander of the fascinating gallery and Sculpture Garden, and Craters of the Moon.

Mountains to Sea

24 - 28 September - Phone now for an itinerary

The name paints the picture: from a stay in Ohakune under the shadow of Mt Ruapehu, to relaxing by the sea at Raglan. Discover the silica terraces and geysers of Orakei Korako cruise on the Waikato River, and watch the wonder of the Aratiatia Dam filling the river gorge below. Step into the enchanting world of Hobbiton and enjoy the delicious “fayre” at the Green Dragon Inn.

Visit a well-known Heritage home enjoying lunch hosted by the owners, and travel through the magical underground wonderland of the Waitomo Caves.

Hobbiton - Raglan

We leave Taupo and travel through the Waikato's lush countryside. On a farm near Matamata, we visit “Hobbiton” – the film location of the Shire, as seen in the Lord of the Rings and The Hobbit Trilogies. Here, we enjoy a guided tour of the film set, and view the hobbit holes, the Green Dragon Inn, the Mill, and other structures. We enjoy lunch here before travelling to our coastal destination of Raglan. After exploring the sheltered harbour and the coastline that attracts thousands of surfers every year, we browse the eclectic shops before checking in to our motel. We dine out at the Harbour View Hotel, a centrally located, historical, colonial hotel, just a short stroll from our motel.
