Welcome

Welcome to the final edition of TranzScript for 2024.

As we mentioned in our last issue, Christmas is fast approaching and if you'd like to partake in the festivities join us in the Garden City of Christchurch and surrounding Canterbury region by turning to page 8. And don't forget to book your spot now for our annual Christmas lunch, it promises to be a gastronomical affair, take a peek on page 6 and get your booking in today.

Our Taranaki Garden Festival tour recently returned home. The scope and variety of gardens on display this year was immense and ranged from tropical bromeliads through to wistful wildflowers. The welcoming hospitality of the garden's hosts made for a delightful educational acquisition of knowledge for our green thumbs. Meanwhile, our Top of the South tour group experienced a superb stretch of weather in "sunny Nelson" and gorgeous Golden Bay, exploring Farewell Spit and taking a boat cruise up the Abel Tasman National Park along with other gems in the northern corner of the South Island.

Please note that our office will be closed for two weeks over the Christmas period, from 20 December through to 6 January.

Warm wishes and special season's greetings from all of us in the Tranzit Tour team, as we look forward to another year of travelling adventures in 2025.

Southern Lakes High Country

11-18 March 2025 - Phone NOW for an itinerary - you don't want to miss out!

This is a unique opportunity to immerse yourself in rural splendour on the big sheep stations of the south. We visit Mt Nicholas on Lake Wakatipu, two iconic stations at Lake Wanaka, a traditional property in the heart of the Mackenzie Basin and spend a fabulous day exploring the coastal hill country on beautiful Banks Peninsula. Historic Mesopotamia Station in the Canterbury high country is a special highlight.

Read a sample of the itinerary:

Criffel and West Wanaka Stations
We travel to Wanaka this morning, where we visit Criffel Station. A tour of this historic 2000-hectare deer farm provides expansive views of the Wanaka Basin, surrounding mountain ranges, and an insight into the management of the property. Our hosts provide lunch, catered in their wool shed which has been converted into a rustic venue. This afternoon we join Ridgeline Adventures for a 4WD tour through West Wanaka Station. As we travel through this spectacular property, increasingly gaining altitude, we will be rewarded with stunning lake views, hear yarns about farming life, conservation projects and fascinating local history.

Greenstone Trail

10-18 April 2025 - Phone NOW for an itinerary!

Explore the wild West Coast of the South Island from top to bottom. This is one of New Zealand's most unspoilt regions and our tour is full of attractions that cover many of the 'must see and do's' of Westland. Have you ever walked among the treetops in a South Westland Rainforest or been wowed by the reflections at Lake Matheson? Visited the glaciers or explored the secret waterways of Okarito? Then what are you waiting for?

Read a sample of the itinerary:

West Coast Rainforest

Heading south to Whataroa today we join a rainforest tour within the remote Waitangiroto Nature Reserve – only accessible on a guided tour. Driving across lush South Westland farmland, we then walk on a flat, purpose-built track among the pristine stands of 1000 year old kahikatea. This type of forest literally drips with lichens and epiphytes, while in autumn bursts with wonderful fungi, orchids and ferns which our local guide will point out to us. We will also see the nesting site of the kotuku (white heron), located on a secret waterway. At this time of year, the birds have dispersed widely, but we will learn about this special chosen location – the only breeding site of the kotuku in New Zealand.
