# Welcome

And just like that, it's March!

The tours team have been busy over the last couple of months with Anil jet-setting off to India to visit his family. While there he has been liaising with attractions for our planned Heritage and Cultural Tour of India in 2026. Keep an eye on our Facebook page where we will be showcasing his travels.

Ali and her tour group recently returned from Great Barrier Island where an adventurous time was had by all, walking through volcanic rock formations, witnessing glorious sunsets and discovering the endless beaches of the Barrier. Talented artists and craftspeople were abundant, and the waters of the Hauraki Gulf were warm and inviting.

Just home and unpacking their bags is our Whanganui River tour group, who experienced the sacred Whanganui Awa in its many guises, from headwaters to the sea, historic paddle steamer to speedy jet boat and much more, although unfortunately with a bit of an unseasonal weather challenge in the mix.

## YOUR TOURS TEAM

Don't forget to check out our day tours on page 6 - join us in April when we experience the new electric ferry from Wellington to Days Bay, and in June we've rounded up a great grazing venue for our Mid-Winter lunch.

We are looking forward to taking you on your next scenic adventure!
