YOUR TOURS TEAM

Welcome

Welcome to our spring edition of Tranzscript. It's that time of the year when all seasons merge into one, and the term "four seasons in one day" becomes truly relevant. And love it or hate it, daylight saving is just a nano-second away, meaning longer, lighter evenings.

We are looking forward to getting the wheels turning again as we move into our post-winter touring schedule, with quite a few tour departures approaching, and a recent adventure recently returned. In August, travellers boarded the Northern Explorer train to journey through the scenic country of the central North Island, ogling at snowcapped mountains, clattering over spectacular viaducts and looping around the famous Raurimu Spiral.

We have had some great day outings lately too. Interest was high to see and experience the amazing new Manawatu-Tararua Motorway. Don't forget to book your spot now for our annual Christmas lunch, it promises to be a very special event this year as Tranzit turns 100, a pretty auspicious moment for the company that we want to celebrate with you!

We look forward to seeing you onbaord soon.
