Welcome

Welcome to our final edition of Tranzscript for 2025. Like it or not, Christmas is looming, but here at Tranzit Tours Headquarters we can't wait! We're looking forward to sharing a very special Christmas lunch with you, in a year of incredible significance for Tranzit Group - it's not every day that a company gets to celebrate 100 years in business!! If you haven't booked, there is still space, but we urge you to book now so as not to miss out (turn to page 6 for full information).

Our touring schedule is getting very busy, with the tour team passing like ships in the night at the moment. Ali recently returned from a tour to the northernmost tip of the North Island and will very shortly be heading to the very bottom of the South Island. Anil is making final preparations for departure on our East Cape expedition, and Katie will be jumping aboard a Cook Strait ferry this week with our group heading south to experience Molesworth Station.

Speaking of Katie, we'd like to take the opportunity to introduce our newest team member. Originally from Manchester in the UK, Katie has been in New Zealand since 2018 and has travelled the country extensively. She comes to Tranzit with customer service, IT and leadership experience, as well as enjoying meeting new people and hearing about their travel stories. Welcome aboard Katie!

Warm regards and seasons greetings,

The Tours Team: Robin, Ali, Anil and Katie

“Discover one of New Zealand's most unspoilt regions”

Featured Tours

The Greenstone Trail

4-12 February - Phone NOW for an itinerary

This is one of New Zealand's most unspoilt regions and our tour is full of attractions that cover many of the 'must see and do's' of Westland, which we cover from top to bottom. Have you ever walked among the treetops in a South Westland Rainforest or been wowed by the reflections at Lake Matheson? Walked on the Heaphy track, visited the glaciers or explored the secret waterways of Okarito in search of the sacred white heron? No? Then what are you waiting for?

Read a sample of the itinerary:

White Herons and West Coast Rainforest

We travel south to Whataroa this morning to join White Heron Sanctuary Tours for a very special experience. Travelling across farmland, we then walk to a hide through pristine rainforest in the Waitangi Roto Nature Reserve to view NZ's only kotuku (white heron) sanctuary. Revered by the Maori as a symbol of beauty, the white heron is rare in NZ and breeds only in this secret location. The birds are nesting, so you will also see young birds, making this a truly magical and privileged experience.

Wairarapa Off the Beaten Track

23-26 February - Phone NOW for an itinerary

Join us as we get off the beaten track to showcase Wairarapa's wild coast, iconic stations, historic homesteads, wines and foods. There is much to see in this scenic region if you take the time, heading over that hill or taking that country road. This short tour is packed with something to appeal to everyone.

Read a sample of the itinerary:

Coastal Country

Today we take a scenic drive to the Castlepoint coast where we enjoy a leisurely walk up to the iconic lighthouse which was built in 1913 and is one of the last two remaining beam lighthouses in New Zealand. We then meet with the owners of Castlepoint Station for an introductory talk, before enjoying the privilege of travelling in our coach over the Otahome Road which passes through the breathtaking coastal scenery of Castlepoint Station. Driving towards Riversdale, we stop at the wonderful Homewood Storeroom Restaurant for a relaxing roast lunch prepared by Chef Paddy who incorporates ingredients from the farm, including lamb.

“Get off the beaten track in wonderful Wairarapa!”

Happy Cows

Wednesday 18 February

Today we visit a certified organic Manawatu dairy farm which featured on Country Calendar earlier this year, and where the cows milk themselves – well, almost! Don't miss "Poppa's Shed", a collection of vintage farm machinery. Lunch today is at the Coach House Museum in Feilding, then after lunch there will be time to wander the museum, an outstanding collection of rural history, farm equipment and horse drawn transport.
