Welcome

We blinked and suddenly it was March - time to send out Tranzscript to our valued members.

We have had a great start to the year. Our Greenstone Trail tour recently returned from the South Island's wild West Coast and we got off the beaten track in our beloved Wairarapa (see page 16-17 for piccies from their adventures). The recent weather events provided an extra challenge with a road closure at Cape Palliser that opened at the eleventh hour allowing us to get to this special spot.

Ali and Les are back from the stunning Canterbury High Country, while Robin returned safely from an island escape to Great Barrier. With everyone back it's time to start preparing for the next exciting tours ahead.

For those of you who have expressed interest in concerts and shows, we have listened! You will find options on offer, with more to come as the year progresses.

Thank you to everyone who completed our recent online survey. Your feedback helps us shape improvements to our tours and communications. We're also excited to launch our refreshed Tranzit Tours Facebook page. Skip over to Page 18 to read more!

We look forward to travelling with you soon!
